— COACH —

Our couples enjoy:

- **Customized choreography to fit their unique song** & skill level complete with jaw-dropping elements that get them all the “oohs” and “ahhhs” from their guests.
- **Extended practice and rehearsal time in our Denver or Virtual studio** with their private dance coach so they can master the art of timing, rhythm and lead/follow, so no one misses a molecule of their personal style and flair.
- **Optional MULTIPLE DANCES**, including Parent-Bride/Groom or Wedding Party Choreography, so they can include their besties and loved ones in the fun!
- **Additional moves** they can whip out all evening long to add electricity and magnetism to the whole event. (Which reflects directly back on YOU, the Planner or Event Coordinator, just saying.)
- **ONLINE coaching options** for couples traveling to your venue or region for their event—with precisely the same quality and excellence as our in-person coaching.
